3. START DATE
 LVUSD 2017-18 School Year Calendar: Wednesday, August 23, 2017 - Thursday, June 14, 2018
Date: _____
 If you are planning for the above listed child to start on or after September 1, 2017 (meaning, you wish to skip the month of August), you may **not** submit a registration package or fee schedule to the YMCA until on or after September 1, 2017. We cannot reserve or save spaces, in advance, for participants who submit a registration package or fee schedule to the YMCA before September 1, 2017, with the intent to start in the month of September, rather than in the month of August. If you submit a registration packet prior to September 1, 2017, we will disregard your response to this section (section 3) and we will enroll the above listed child to start in the month of August; your first payment will be charged and applied to the month of August. If you intend to start your child in the month of September and skip the month of August, you may not submit your registration package and fee schedule until on or after September 1, 2017; please understand that this is risky, as we cannot reserve your space in advance and the program location you have selected may be full with no spaces available.

THE PAYMENT PLAN & HOW IT WORKS

READ THIS BEFORE ENROLLING

SIGNATURE REQUIRED

There are two payment schedules that you should be aware of **BEFORE** signing up for our program:

OPTION 1 – START IN AUGUST 2017

- If you are intending to start the program in the month of August 2017, the August monthly payment is due in full and upfront at the time of registration unless you enroll before August 1, 2017. If this is the case, we will set up an automatic payment from your checking/savings or credit/debit account, which will be drafted on August 1st, 2017.
- After your initial payment for August is paid, you will then be charged on the 1st of every month, beginning September 1, 2017.
- You will be charged a total of 10 times for the school year (which includes the charges for August that you paid, in full, at the time of registration), on the 1st of each month, ending with your final payment on May 1, 2018. This is a total of 10 equal, monthly payments (August, September, October, November, December, January, February, March, April, and May).
- Your final charge will be on May 1, 2018. This payment will cover your care for the month of May 2018 and for the month of June 2018 up to the last day of school in the current school year.
- **If you plan to enroll to start in August 2017 (which is when 90% of our enrollees start), the August payment is due in full, regardless of which day in August 2017 your child starts; the first month payment is always due in full by August 1, 2017 or at the time of registration, if enrolling after August 1, 2017, but in the month of August for an August start date.**

OPTION 2 – START IN SEPTEMBER 2017 OR AFTER

- If you are intending to start the program in the month of September 2017 or any month after September, **you cannot register until on or after September 1, 2017 or on or after the first day of the month you intend to start. You may not enroll prior to this date. Unfortunately, we cannot hold spaces for families who want to start in future months, rather than the most recent month of program.**
- **If you intend to wait and enroll on or after September 1 or after the first day of the month you intend to start, the program may already be full and you may be putting your enrollment at risk, as we cannot reserve spaces for September 2017 prior to September 1, 2017 or any month prior to the first day of that month. This is a risk and it is not recommended.**
- After your first payment you will then be charged on the 1st of every month beginning the following month.
- You will be charged equally each month.
- Your final charge will be on June 1, 2018. This payment will cover your care for the month of June 2018 up to the last day of school in the current school year.
- **Your June 2018 payment is your final payment for the school year and is a full payment, regardless of the number of days of care in the month of June. This allows for your final payment to be fair and consistent with families who signed up to start in August 2017.**
