THE PAYMENT PLAN & HOW IT WORKS

READ THIS BEFORE ENROLLING SIGNATURE REQUIRED

There are two payment schedules that you should be aware of **BEFORE** signing up for our program:

OPTION 1 – START IN AUGUST 2018

- If you are intending to start the program in the month of August 2018, the August monthly payment is due in full and upfront at the time of registration unless you enroll before August 1, 2018. If this is the case, we will set up an automatic payment from your checking/savings or credit/debit account, which will be drafted on August 1st, 2018.
- After your initial payment for August is paid, you will then be charged on the 1st of every month, beginning September 1, 2018.
- You will be charged a total of 10 times for the school year (which includes the charges for August that you paid, in full, at the time of registration), on the 1st of each month, ending with your final payment on May 1, 2019. This is a total of 10 equal, monthly payments (August, September, October, November, December, January, February, March, April, and May).
- Your final charge will be on May 1, 2019. This payment will cover your program for the month of May 2019 and for the month of June 2019 up to the last day of school in the current school year.
- **If you plan to enroll to start in August 2018 (which is when 90% of our enrollees start), the August payment is due in full, regardless of which day in August 2018 your child starts; the first month payment is always due in full by August 1, 2018 or at the time of registration, if enrolling after August 1, 2018, but in the month of August for an August start date.**

OPTION 2 – START IN SEPTEMBER 2018 OR AFTER

- If you are intending to start the program in the month of September 2018 or any month after September, **you cannot register until on or after September 1, 2018 or on or after the first day of the month you intend to start. You may not enroll prior to this date. Unfortunately, we cannot hold spaces for families who want to start in future months, rather than the most recent month of program.**
- **If you intend to wait and enroll on or after September 1 or after the first day of the month you intend to start, the program may already be full and you may be putting your enrollment at risk, as we cannot reserve spaces for September 2018 prior to September 1, 2018 or any month prior to the first day of that month. This is a risk and it is not recommended.**
- After your first payment you will then be charged on the 1st of every month beginning the following month.
- You will be charged equally each month.
- Your final charge will be on June 1, 2019. This payment will cover your program for the month of June 2019 up to the last day of school in the current school year.
- **Your June 2019 payment is your final payment for the school year and is a full payment, regardless of the number of days of program in the month of June. This allows for your final payment to be fair and consistent with families who signed up to start in August 2018.**
