## IMPORTANT STUFF TO KNOW:

- Please contact the day camp program, via phone or e-mail, by 9:00 am each day if your camper is going to be absent. Unless prior arrangements were made between the parent/guardian and the Camp Director, campers must arrive no later than 10:30am each day or they will not be granted entry into the program for the day.
- All Day Camp programs will be closed on Wednesday, July 4.
- Each day, please pack the following: a healthy sack lunch (no soda or candy), additional snacks, a water bottle, a hat or visor and sunscreen. For their safety, campers need to wear comfortable clothing and closed-toed, closed-heel shoes. On water/swim days, campers should wear their swimsuit under their clothing, bring a towel, plastic bag (for wet clothes) and pack their swim shoes to change into at the aquatic venue/pool. Sandals are not permitted. Campers should not come to camp with water shoes on their feet. Campers should change into their water shoes at the appropriate time, prior to engaging in a water activity.
- Understand that a lot of campers will come to the program with the exact same backpack or lunch sack, so please place your camper's name on all their bags and belongings.
- Unfortunately, we do not have a microwave on site to warm-up food, so please pack a lunch and snacks that do not require heat-up. We unfortunately do not have space in our refrigerators to store personal food.
- The YMCA is not responsible for lost, stolen or damaged personal items. All personal items brought to the program are at your own risk. Gaming devices and cellular phones are not permitted. Leave expensive personal items at home.
- Your program fees cover most expenses for the program. Please see the weekly activities calendars for specific days where it would be appropriate for campers to bring optional extra spending money.
