*Typical Daily Schedule subject to change without notice.

ACHIEVEMENT RELATIONSHIPS BELONGING

WHAT'S NEW FOR 2018?

- Our Good Times Program is now for campers who are entering grades 6th, 7th, 8th and 9th in the fall of 2018. Campers entering the 5th grade should sign-up for one of our other Day Camp programs.
- If you would like for your incoming 5th grade camper to participate in the Good Times program, rather than a K-5 Day Camp, you are welcome to sign them up; but, know that this program is designed with older youth in mind.
- STEM activities are included each session.

IMPORTANT STUFF TO KNOW:

- Please contact the day camp program, via phone or e-mail, by 9:00 am each day if your camper is going to be absent. Unless prior arrangements were made between the parent/guardian and the Camp Director, campers must arrive no later than 10:30am each day or they will not be granted entry into the program for the day.
- All Day Camp programs will be closed on Wednesday, July 4.
- Each day, please pack the following: a healthy sack lunch (no soda or candy), additional snacks, a water bottle, a hat or visor and sunscreen. For their safety, campers need to wear comfortable clothing and closed-toed, closed-heel shoes. On water/swim days, campers should wear their swimsuit under their clothing, bring a towel, plastic bag (for wet clothes) and pack their swim shoes to change into at the aquatic venue/pool. Sandals are not permitted. Campers should not come to camp with water shoes on their feet. Campers should change into their water shoes at the appropriate time, prior to engaging in a water activity.
- Understand that a lot of campers will come to the program with the exact same backpack or lunch sack, so please place your camper's name on all their bags and belongings.
- Unfortunately, we do not have a microwave on site to warm-up food, so please pack a lunch and snacks that do not require heat-up. We unfortunately do not have space in our refrigerators to store personal food.
- The YMCA is not responsible for lost, stolen or damaged personal items. All personal items brought to the program are at your own risk. Gaming devices and cellular phones brought to camp by Good Times campers are brought at your/their own risk. Leave expensive personal items at home.
- Your program fees cover most expenses for the program. Please see the weekly activities calendars for specific days where it would be appropriate for campers to bring optional extra spending money.

TYPICAL SCHEDULE AT A GLANCE

AM Extended Care	During AM extended care, teens are empowered to make their own choices and their own their camp experience, while at the same time, forming instant connections that become very special for the future and beyond.	
The Daily Download	An Information Station! Campers will "upload" information about the day and give their "input", providing freedom and flexibility to explore new interests and have the opportunity to step up and take on positions of responsibility.	
Lol - Living Out Loud	LOL! Teens will have a safe place to express themselves, be heard by their peers, and laugh together, fostering a sense of belonging so campers feel smarter, healthier, and have a better ability to cope with challenges.	
Field Trips may take place during this time.	Camp Specialty & Field Trips	Ready, Set, Go! Teens get the chance to explore new places and embark on new adventures that extend far beyond the boundaries of a single summer.
	Service Learning	The Y emphasizes on leadership development for our Youth and campers will get to discuss, design, and take action, as they develop an increased sense of social responsibility, a global view of society, and a heart for "giving back" & helping others.
	Healthy Living/ Sports & Fitness	Every camper will have the opportunity to try new sports & exercises, improve their fitness skills, and gain confidence.
	Lunch & Outdoor Recreation	Please pack a healthy lunch each day! Remember, it's Soda Free Summer! Make the pledge.
	Power Hour	Daily activities that will challenge campers, providing them with a sense of ownership and an opportunity to make incredible connections with their peers.
	STEM	We're encouraging campers to push themselves out of their current social-network comfort zone and instead engage in lively discussions on the hot scientific topics of the moment. With Science, Technology, Engineering and Math the sky's the limit! Let's bridge the gap of Summer Learning Loss!
	Station Rotations	Teens will immerse themselves into activities that provide a diverse range of opportunities, including traditional camp activities, supplemented with new options that they will not have yet experienced
PM Snack & Closing Ceremony	The Y provides an afternoon snack each day that meets Y-USA Healthy Eating and Physical Activity Standards (HEPA). Your camper has conquered the day and mastered new skills! Let's celebrate their achievements for the day!	
PM Extended Care & Teen's Choice Activities	Today was a "Good Time". During PM Extended Care, campers can engage in supervised play with indoor and outdoor activity choices.
